Dear Sir

RE: DNS Proposed Solar Farm and Battery Storage
Planning Application: DNS/CAS-03107-C5X9W1

Location: White House Farm Solar & Battery, Freystrop, Pembrokeshire

It has been brought to my attention by some residents of Freystrop that not all interested parties who submitted representations to the previous round of consultation have been notified that there is now a further consultation open to comment on the additional information submitted by Qair.

As you will be aware this application is an extremely emotive issue for the Freystrop community and in order to establish public confidence in openness and transparency of the planning system, I should be grateful if you would address this omission.

Residents have also requested that the 5-week consultation period starts when 'All Parties' are formally notified.

Kind Regards

Chris White
Chairman Freystrop Community Council
